85 and over	4287	1976	1072	432	270	202	2311	1711	289	42	269

Notes:

- The terms used to describe tenure are defined as:
 Owner occupied: either owns outright, owns with a mortgage or loan, or pays part rent and part mortgage (shared ownership).
 Rented from NIHE: rented from Northern Ireland Housing Executive.
 Other social rented: rented from Registered Social Landlord, Housing Association, Housing Co-operative or Charitable Trust.
 Private rented: rented from a private landlord or letting agency, employer of a household member, or relative or friend of a household member or other person.
 2 'Rented from NIHE', 'Other social rented' and 'Private rented' include living in the household rent free.
 3 Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.

Notes:

- 1 This table includes 'residents' of communal establishments only, i.e. it excludes staff and their relatives living at the establishment.
- 2 General health refers to health over the 12 months prior to Census day (29 April 2001).
- 3 Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.

Notes:

- The occupancy rating provides a measure of under-occupancy and overcrowding. For example a value of -1 implies that there is one room too few and that there is overcrowding in the household. The occupancy rating assumes that every household, including one person households, requires a minimum of two common rooms (excluding bathrooms).
- Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.

Notes:

- 1 For the Census, part-time is defined as working 30 hours or less a week. Full-time is defined as working 31 or more hours a week.
- 2 Hours worked is the average number of hours worked per week for the last four weeks before the Census (29 April 2001).
- 3 Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.

Notes:

- 1 General health refers to health over the 12 months prior to Census day (29 April 2001).
- 2 Cars or vans includes company cars or vans if available for private use.
- 3 Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.

85 and over	1987	1516	471	432	184	248	898	691	207	657	641	16

Notes:

- The terms used to describe tenure are defined as:
Owner occupied: either owns outright, owns with a mortgage or loan, or pays part rent and part mortgage (shared ownership).
Rented from NIHE: rented from Northern Ireland Housing Executive.
Other social rented: rented from Registered Social Landlord, Housing Association, Housing Co-operative or Charitable Trust.
Private rented: rented from a private landlord or letting agency, employer of a household member, or relative or friend of a household member or other person.
2 'Rented from NIHE', 'Other social rented' and 'Private rented' include living in the household rent free.
3 General health refers to health over the 12 months prior to Census day (29 April 2001).
4 Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.

Notes:

- 1 The term 'care' covers any unpaid help, looking after or supporting family members, friends, neighbours or others because of long-term physical or mental ill-health or disability or problems related to old age.
- 2 General health refers to health over the 12 months prior to Census day (29 April 2001).

Notes:

- 1 The term 'care' covers any unpaid help, looking after or supporting family members, friends, neighbours or others because of long-term physical or mental ill-health or disability or problems related to old age.
- 2 For the Census, part-time is defined as working 30 hours or less a week. Full-time is defined as working 31 or more hours a week.
- 3 General health refers to health over the 12 months prior to Census day (29 April 2001).

Table S027: Households with a Person with a Limiting Long-Term Illness (LLTI) and Their Age by Number of Carers in Household and Economic Activity

Table population: All households

	All households	No carer in household	One carer in household								Two or more carers in household

Notes:

- 1 The term 'care' covers any unpaid help, looking after or supporting family members, friends, neighbours or others because of long-term physical or mental ill-health or disability or problems related to old age.
- 2 For the Census, part-time is defined as working 30 hours or less a week. Full-time is defined as working 31 or more hours a week.
- 3 Economically inactive includes carers under 16 and over 74.
- 4 'Working' means all persons aged 16-74 who are working excluding full-time students.
- 5 A carer is a person who provides unpaid care.
- 6 Limiting long-term illness covers any long-term illness, health problem or disability which limits daily activities or work.
- 7 The category 'Households with one person with a LLTI' does not include 'Households with only one person with a LLTI who is also the only carer'.
